Dear Miss Langsdorf:

Briefly following up on our several telephone conversations recently, I'd appreciate having approximately 80 copies of the Hall of Fame leaflet and will be glad to pay for them if you will send me the bill.

Clara Barton's nomination to the Hall of Fame for Great Americans will be discussed at the October meeting of our national Board of Governors and we hope to attach your leaflet to the position paper on this subject.

With appreciation.

Sincerely,

Edwin H. Powers
